

## **BLACKALL MARKET REPORT** **8<sup>th</sup> MAY 2025**

Blackall combined agents yarded 3530 head at their Prime & Store sale and Show sale this week. Cattle were sourced further north such as Mt Isa and Cloncurry as well as a large number of locally sourced cattle. All processing agents were in attendance and active. The yarding saw a larger run of good quality bullocks that we don't traditionally see at the Blackall saleyards. We would like to congratulate all vendors who received prizes in the show categories. There was a great line of show cattle presented that shows a true testament to our surrounding producers as a result of a good season throughout the Blackall/Tambo region.
