Total Yarding

7137

Another good sized yarding this week, with the yarding consisting of good quality and secondary quality weaners and yearlings, amongst other cattle. Not many feeder cattle yarded today, so that job is still sitting where it has been sitting. Weaner Steers got out to 466c/kg for 240kg. Weaner Steers over 300kg got out to 452c/kg. Feeder Heifers are still seeing a premium from Feedlots if they are Preg Tested EMPTY. Fat Cow job softer across the board this week.
