Sale Report: Agents at Emerald yarded a reduced offering of 530 head, predominantly comprising prime cattle. The lower numbers were attributed to this week's weaner and feeder sale being held earlier in the week. The prime market remained relatively stable, with strong competition from regular processors across all first- and second-grade categories. The only notable improvement was seen in the bullock market, driven by an increase in supply and improved quality among the cattle presented.

In the prime section bullocks over 550kgs sold to 325c/kg to average 315c/kg, heavy steers 500-550kgs coming under slaughter & feeder competition reached 320c/kg to average 310c/kg, heavy heifers over 400kgs made to 306c/kg to average 286c/kg, heavy cows over 520kgs topped at 273c/kg to average 264c/kg, cows 450-520kgs made as much as 270c/kg to average 251c/kg, while bulls over 600kgs sold to 256c/kg. with what was on offer in the store section, heavy feeder steers 400-500kgs sold to 302c/kg to average 260c/kg, with a lack of store numbers due to the weaner and feeder sale there were not enough steers under 400kg's to quote on. Heifers 350-400kg's sold to 272c/kg to average 265c/kg, while Heifers 280-350kg's sold to 264c/kg to average 240c/kg, weaner heifers 200-280kgs made as much as 262c/kg to average 233c/kg, while too few light heifers under 200kgs to quote.
