

MAREEBA COMBINED AGENTS PRIME AND STORE SALE

Tuesday 29th July 2025

Mareeba Combined Agents yarded a total of 999 Prime & Store Cattle this week. Quality throughout the yarding remained mixed with the majority of cattle presented in store condition. There was a limited supply of good quality prime cattle available. Despite this, prices on average held firm, supported by the presence of both local and southern processors.

Across all categories, flatback cattle continued to attract strong demand, consistently achieving prices at the higher end of the market.
