

## Roma Market Report 05/08/2025

**Total Yarding**  
**10,000**

Another large yarding in Roma. We saw an increased competition from Northern NSW, purchasing backgrounder steers and heifers. A massive yarding of 3300 cows which was no surprise considering the market for them, a lot more of those cows were in the secondary to slippery and store condition than recent weeks, but still some prime well-conditioned Cows yarded. The Feeder Heifer & Steer market both making 400c/kg - 440c/kg consistently. A premium is still getting paid and is a purchasing preference for Preg-Tested EMPTY Feeder Heifers.
