

MARKET REPORT

14th August 2025

Blackall combined agents yarded 2800 head at the weekly fat and store sale. The yarding of fat cattle was of mixed quality, which does explain some of the average reductions. Bullocks were in good supply with demand strong and the market strengthening. Cows and heavy heifers were of mixed quality. The feeder and store cattle yarded attracted strong competition from the buyer panel. Cattle were drawn from the Cloncurry, Julia Creek, Kynuna, Winton, Longreach, Barcaldine and Blackall districts.
