

BLACKALL MARKET REPORT

31ST JULY 2025

Blackall Combined Agents yarded a total of 2561 in a rain reduced yarding for the July Weaner & Store Sale. This week's yarding was of a very high standard across the store cattle yarding with some outstanding lines of local weaner & feeder cattle. The store markets all sold to dearer trends with large lifts in the heifer markets seeing heifers up to 380kgs topping at 400.2c and selling consistently from 370c to 400c. Approximately 400 processor cattle rounded out the market with very strong competition on the better end cattle seeing heavy heifers and cows selling from 388c to 396c for the top lines.
