

MAREEBA COMBINED AGENTS PRIME AND STORE SALE

Tuesday 2nd December 2025

Mareeba Combined Agents yarded a total of 1,067 head this week. The yard was predominantly made up of northern type cattle, with an isolated pen of well finished cattle on offer. The yard has been very wet following storms over the past couple of days. The buyers' panel was smaller this week, resulting in a more selective market. Demand was firm for quality lines, while plainer type cattle saw an easier market.
