

Emerald Prime & Store Sale Market Report

Emerald Combined Agents yarded a very reduced offering of 500 head this week, following Tuesday's first weaner and feeder sale, which significantly reduced store numbers. With a predominantly prime-focused yarding, the market recorded solid gains across most categories, particularly in the better-finished cows, which improved by up to 30c/kg. Although numbers were limited, stronger results were evident throughout all categories presented.

In the **prime** section bullocks over 550kgs sold to 391c/kg to average 371c/kg, while steers 500-550kg made to 386c/kg to average 369c/kg, heavy heifers over 400kgs made to 360c/kg to average 341c/kg, heavy cows over 520kgs topped at 350c/kg to average 307c/kg, cows 450-520kgs made as much as 308c/kg to average 279c/kg, while bulls over 600kgs sold to 388c/kg.
