

Emerald Prime & Store Sale 21st May 2026 Market Report

Emerald Combined Agents yarded a reduced offering of 650 head in a predominantly mixed-quality yarding, with strong gains recorded across all categories presented. Although prime numbers were limited, that sector improved by 20-25c/kg on last week, driven by evident demand for heavy cattle. Store cattle were mixed in quality, with no large runs on offer; however, secondary descriptions were consistently around 10c/kg dearer, while isolated better-quality lines held firm.
