

Emerald Prime & Store Sale 4th June 2026 Market Report

Emerald Combined Agents yarded a reduced offering of 1,000 head in a predominantly prime-focused yarding ahead of next week's weaner & feeder sale. Overall, the prime market remained largely in line with last week, although the better end of the cow market eased slightly following the absence of two processors that were active at the previous sale. Store numbers were very limited, with insufficient quality and volume on offer to provide an accurate market quote.

In the **prime section** bullocks over 550kgs sold to 442c/kg to average 433c/kg, while steers 500-550kg made to 430c/kg to average 424c/kg, heavy heifers over 400kgs made to 420c/kg to average 412c/kg, heavy cows over 520kgs topped at 396c/kg to average 384c/kg, cows 450-520kgs made as much as 391c/kg to average 369c/kg, while bulls over 600kgs sold to 410c/kg, while there were only few store cattle to quote.
