

**Emerald Weaner & Feeder Sale**  
**9th June 2026**  
**Market Report**

Emerald Combined Agents yarded 5,500 head for the June Weaner and Feeder Sale, with an excellent quality offering attracting a large and diverse buying panel. Strong competition was evident throughout the sale, resulting in a consistently dearer market across all categories.

The standout improvements were seen in the 100-day feeder and trade feeder markets, particularly for softer-conditioned cattle, where both steers and heifers recorded gains of 20–50c/kg. Weaner and feeder cattle were hotly contested throughout the day, with increased buyer participation supporting a market that reflected the broader positive national trend.

Heavy **steers** over 500kg topped at 492c/kg and averaged 439c/kg. Steers 400–500kg topped at 548c/kg and averaged 513c/kg, while steers 350–400kg topped at 548c/kg and averaged 501c/kg.
