

MAREEBA COMBINED AGENTS PRIME AND STORE SALE

Tuesday 30th June 2026

Mareeba Combined Agents yarded a total of 520 head for this week's prime and store cattle sale. The offering consisted predominantly of northern-type cattle, which is typical for this time of year, complemented by isolated pens of quality local and crossbred cattle that added depth and competition across several categories. The yarding attracted strong interest from a solid field of local buyers, alongside southern processor competition, resulting in consistent demand throughout the sale. The prime section sold to firm competition, with prime Steers reaching a top of 368 ¢/kg, a prime Heifer selling to 296 ¢/kg, heavy Cows peaking at 330 ¢/kg and Bulls topping at 334 ¢/kg
