Blackall Market Report

17th September 2026

Total Yarding 2,123

Blackall Combined Agents yarded a total of 2123 cattle and a very mixed yarding of cattle.

Cattle came from all different areas with a lot of cattle back in weight due to the areas starting to dry out around Blackall districts. Market remained firm over meat works cattle that had plenty of weight. The store cattle market has come back only due to lack of numbers and quality.
