

GRACEMERE SALE MARKET REPORT

28th October 2026

Gracemere combined agents sold a reduced yarding of 909 head, consisting of 328 steers, 329 heifers, 191 cows, 46 mickey bulls, 9 bulls and 6 cows & calves. After more wonderful rainfall in the district, today's market saw an overall large lift with yet another reduced yarding. Fat cattle saw a firmer market across all categories. 100-day feeders were essentially non-existent, with backgrounder steers seeing a large lift in pricing. Weaner steers saw an extremely large jump, with both crossbred and brahman portions meeting strong competition. Feeder heifers may have softened slightly, although remained very solid considering the very few numbers present. Weaner heifers gained solid traction, with a buoyant market across softer breed types
